### Expectation Certificates and Banners

Each week, class teachers issue 3 Expectation Cards to selected students for demonstrating our school expectations of Respect, Responsibility and to Aspire. Students collect these cards and keep them in a safe place at home. When they have collected 4 Expectation Cards they place them in the labelled boxes outside the Primary DP Office (Years 3-6) or place them in the Red Tin in my office (K-2). At an assembly, they will be presented with an Expectation certificate. Please see the diagram below explaining this.

## Kitchen Garden

In the Kitchen Garden this week...

Autumn has finally arrived in the garden and Year 3 have been observing and sketching the changes. They have also planted a crop of "Clucker Tucker" for the chooks as well as garlic and broad beans we'll harvest in spring. This week they'll be tasting some of the delicious vegies and herbs we've grown via rice paper rolls.

5J are coming back to the garden this week to plant out the wicking bed and 5D are busy propagating succulents to add to the rustic wheelbarrow.

Did you know that putting organic matter (fruit and veggie scraps) into landfill via your garbage bin produces methane gas? - and it's a major contributor to global warming. It's International Compost Awareness Week this week! <http://www.compostweek.com.au/core/>

Composting or worm farming is super easy to do. If you are unsure how or what to compost, ask a Year 3 student or come and have a chat with me in the garden on a Wednesday or Thursday.

Damage to the garden has been a problem of late. If you are in the kitchen garden out of school hours, please supervise young children to ensure they don't pick the produce.

Thankyou very much to all the wonderful helpers who kept the garden watered and the compost turned over the holidays. There are still opportunities to help out on an ongoing basis through Term 2.

Please go to <https://www.signupgenius.com/>

You can sign up to help once or as a weekly commitment.

Any help is appreciated!

PROUDLY SUPPORTING MOSMAN PUBLIC SCHOOL & ITS CHARITIES

The Manly Rotary Club are again opening the streets of Manly for the 9<sup>th</sup> annual Manly Scenic Fun Run on Sunday 3<sup>rd</sup> June at 8am, starting and finishing on the beach-front opposite the Corso.

We hope the whole community will join us in raising funds for our local charities. All of the money collected by us for the Fun Run goes to local charities & Rotary humanitarian projects. Over the last 9 years we are proud to say we have raised over \$1.5million for these purposes.

Some of our past initiatives have included:

- Establishing the Manly Women's Shelter
- Building work – a new kitchen, dining and meeting/work area facilities for Pioneer Clubhouse and a new kitchen for the Salvation Army
- Refurbishing projects - the bathrooms at Stewart House, the main office area at the Manly Community Center, the kitchen and dining areas at Mission Australia's homeless men's shelter
- Purchasing - much needed extra equipment for Sailability, our disabled children's learn-to-sail school and medical equipment for Manly Hospital.

This year we will use our Fun Run proceeds to support a number of specific youth-related programs and projects. They include refurbishing a scout hall, supporting a camp for 'at risk' teenagers, and supporting disabled youngsters in a new business enterprise. In addition, we are aiming to sponsor a number of youth leadership development programs.

All ages and levels of fitness are welcome whether you run the 10km or walk the 2km or 5km. Full details on the website <http://www.manlyfunrun.org/> and follow the prompts to register.
