### Whooping Cough

There have been reported cases of Whooping Cough at Manly West.

**Symptoms:** In vaccinated cases, Pertussis may present as a very mild illness with very few symptoms, for example a mild cough at night.

Some cases may have a more typical presentation including a persistent cough that comes in bouts. Bouts may be followed by vomiting and a whooping sound as the child gasps for air. Pertussis can cause a severe illness in young children particularly those aged under 6 months.

**How is it spread?** Pertussis is usually spread by direct contact with the droplets from the nose and throat of an infected person produced whilst coughing. People at greatest risk of getting the illness are those who have had a considerable amount of face-to-face contact with a person with the disease. Pertussis can occur in people previously vaccinated.

**What should parents do?** Anyone developing symptoms should consult their local doctor and mention that there has been a case of pertussis at the school. Parents should consider keeping at home their children with a cough. Children who are diagnosed with pertussis cough need to stay away from school until they have taken 5 days of a special antibiotic. For further information please refer to the NSW Health Pertussis factsheet (available from <http://www.health.nsw.gov.au/Infectious/factsheets/Pages/Pertussis.aspx>) or contact your Public Health Unit on 9477 9187.

Please support the idea of Year 6 student Coco Conway and her fellow Harmony Day Committee members, by helping your child search for something to wear in their designated colour. Our 2019 Harmony Day Student Leaders are Charlotte Blenkhorn, Amelia Carter, Charlie Campbell, Coco Conway, John Engledew and Octavia Williams. ### **Kindergarten Information Morning for 2020 Students**

Parents of prospective 2020 Kindergarten students are invited to attend an information morning on Tuesday 21<sup>st</sup> May from 9:45 to 11:00am in the school hall.

### **Playground Monitors and Activity Monitors**

I would like to acknowledge the many Year 4 and Year 5 students who have given a lunchtime each week to provide play opportunities for other children.

Activity Monitors are Year 4 students who set up equipment for passive play in the Literacy and Numeracy Area. This includes mega size games such as Snakes and Ladders, Connect 4 and Chess. The Literacy and Numeracy Area is open to all students in Years 1-6 during second half of lunch, Monday-Friday.

Our Playground Monitors are rostered Year 5 students who provide equipment for Kindergarten students to support their transition to school.

These leadership roles are open to any interested Year 4 or Year 5 student.

We are appreciative of the efforts of all the following students who have volunteered their time this term. Many children have changed their rostered day and not all are able to continue due to commitments to representative groups such as choir, dance, drama, debating, sport and other roles such as a Library Monitor or Chicken Wrangler. It gives us joy to observe our students develop as student leaders. Congratulations and thank you to our Year 5 Playground Monitors:

*Isabella Cammack, Halle White, Scarlett Hennessy, Jianna Tyagi, Lotus Meddings, Emily Coats-Andrews, Rosa Mawdsley, Cooper Singleton, Maddie Corney, Xenia Beck, Zach Pawley, Finley Forbes, Lucy Edmonds, Rimi Imai, Kali Nicholas, Amalia Mauricio, Ashley Glenton, Alisha Hansen, Isabella Ottaviani, Leona Lee, Caylea Robinson, Eva Klassen, Sarah Martin, Olivia Thomson and Zoe Klettner.*

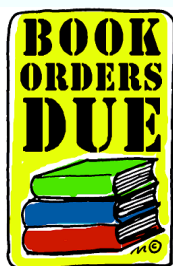

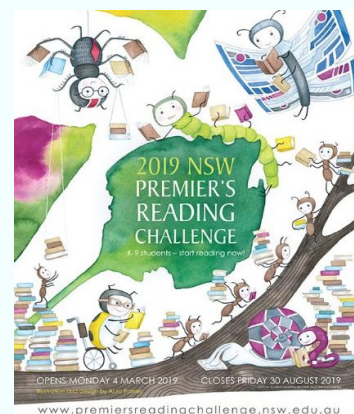

We are also very proud of our Year 4 Activity Monitors. Congratulations and thank you:

*Iris Reid, Anaya Rogan, Zara Harrington, Tasman Wicks, Conor McCoy, Kohia Berry, Oli Peck, Leon Del Bene, Noah Butler, Arlo Smith, Kaia Kumeroa, Nick Verwholt, Felix Elwin, Evie Williams, Gemma Poutney, Stephanie Smart, Sarah Trethewey, Thomas Mulquiny, Casper Bartley, Eric Wall, Sia Field, Catriona Bowring, Trini Martinic, Livia Goodland, Dane Allum, Hamish Barton, Ciara Moore, Cruz Langridge and Ziggy Pollitt.*

**Mrs Wendy Mwanga**

## Harmony Day 2019 from the Multicultural Officers

This year is the 20<sup>th</sup> anniversary of Harmony Day and the theme this year is Everyone Belongs. We will be celebrating Harmony Day, incorporating the messages from Anti-Bullying Day, on Thursday 28<sup>th</sup> March. We, along with the Harmony Day Committee, aim to raise awareness for inclusiveness and to be kind to each other. Instead of wearing a touch of orange every grade has been allocated a colour of the rainbow to wear. Some options include coloured socks, scrunchies, sweat bands and streamers. It is not a mufti day, so please wear your school uniform and a touch of your designated grade colour. Please note, face paint is not allowed to be worn.

**Kindergarten – purple**

**Year 2 – blue**

**Year 3 – green**

**Year 4 – yellow**

## Band News

Manly West Bands have some exciting news to report! We have been approved as a **Creative Kids Supplier** by Service NSW. This means that **ALL** parents and carers can apply for a Creative Kids voucher which will mean a \$100 rebate on each child's band fees for the year, should you choose to use it against this activity. If you have already paid your fees, don't worry, the voucher can be used against fees for next semester. If you don't have a Creative Kids voucher or would like more information, you can apply through Service NSW.

<https://www.service.nsw.gov.au/campaign/creative-kids>

We will be advising everyone by email this week on what you will need to provide to us to claim your Creative Kids voucher. Thank you to everyone for your patience regarding this.

## Band Events

### **Intermediate Band, NSSWE Autumn Series, Monday 8th April, 6.30pm**

Our Intermediate Band will perform at the NSSWE Music Festival at The Forest High School in Frenchs Forest. Parents and carers will be advised by email of the details. Anyone from the Manly West Community is invited to come along. It is also a great opportunity to check out the standard of performance if you have a child considering joining the NSSWE regional music program.

### **Band Photos, All Bands, Tuesday 9th April**

Just a reminder that ALL bands will have group photos on Tuesday 9 April. Please be reminded that all uniform items are available at the uniform shop – white long sleeved shirt, black tailored pants (no jeans or leggings), black socks, black school shoes and a Manly West Band tie.

### **Training Band, Assembly Performance, Friday 10th April**

Penny is pleased to announce that our new Training Band are ready for their first performance. Parents and carers are invited to watch them at the K-2 Assembly on Friday 10 April at 12:30pm.

### **Band Camp, All Bands, 27-28th May**

Next week all bands will receive their permission notes and forms for our annual Band Camp held at the Academy of Sport and Recreation in Narrabeen. The Training Band will attend the first day only of this camp whilst the other bands will stay overnight. This is a fantastic opportunity for the children to engage in an intensive tutorial program – 4 hours of musical tuition per day followed by fun activities run by the Academy.

## **OUTSTANDING BAND INVOICES**

Thank you to all of the parents and carers who have paid their Semester 1 Band Invoices. For those who have not paid, please be reminded that the due date for payment is today, 20th March.

## Conditions of use – Student Opal Card

I write to request your assistance in promoting the importance of using the Student Opal Card correctly.

It is a condition of use that students tap on at the start and tap off at the end of each trip with their Student Opal Card. This is important to ensure accurate patronage data is recorded. This data is used to plan school special and regular route bus services and assists State Transit in ensuring adequate capacity is provided, so students can travel to and from school safely.

Current statistics indicate that many students have failed to tap on or off the Opal readers when travelling. If students do not tap on and off then the school bus services, it may appear underutilised and may be considered for cancellation based on low passenger numbers.

To assist with our future service planning can you please remind parents and students of this important condition of use so State Transit can continue to provide effective bus services in the future.

For more information and to apply for a School Opal card call 131500 or apply online at <https://www.opal.com.au/en/about-opal/opal-for-school-students>

## Kitchen Garden News

### In the Kitchen Garden this week...

#### Year 3

Over the next two weeks Year 3 will be doing garden jobs like building compost and turning compost bins, planting seeds and feeding worms. They will be learning more about the important role of bees in the garden (as pollinators!) and 3S will have a visit from Lara Dunford to talk about Bee Keeping. Lara has donated some of her home made honey for the children to taste!

They are also tasting Baba Ganoush made from eggplants donated by Katja Phegan (and garlic & lemons grown in our garden!) using a recipe from Jo Holley which will be in the Manly West cookbook. Have you got your family favourite recipes in?

#### Olives

We recently harvested the olives growing in the garden and we are very grateful to Anna Coad for pickling them for us.

Anna Coad is preparing the MW olives using a family recipe

#### Can You Help?

We need more volunteers to help look after our garden and turn the compost bins. Please go to [SignUpGenius.com](http://SignUpGenius.com) search under my email address [angie.penn@unswalumni.com](mailto:angie.penn@unswalumni.com) for Manly West Kitchen Garden and sign yourself up for day that suits you. You can email me to arrange a time to meet you in the garden and show you around. It's not hard and only takes about one hour once per term.

#### Composting, Worms and Veggie Gardening Workshops

Would you like to learn what your children are learning or have been learning in the Kitchen Garden? Composting and worm farming are super easy to do and for every kilo of food waste we compost and stop going to landfill, about 1kg equivalent of greenhouse gases (carbon dioxide & methane) is avoided. There are fantastic courses run at the Ecohouse at Kimbriki.

Thank you,

Angie Penn and Beth Dowdle
