Kitchen Gardens News

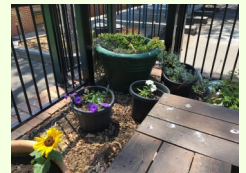

In the Kitchen Garden this week...

Year 4 are learning how to make beeswax wraps this week. We are also planting seedlings due to a great donation of seed packets from Penny Karandonis - thanks!

Kindy - all the Kindy classes have finished planting their seeds and seedlings in the K-2 Literacy & Numeracy Area. Come and have a look at the beautiful flowers we are growing in the class colours.

Native Bee Hive

Elle Sheather from Permaculture Northern Beaches helped me split our native bee hive on the weekend and thanks to Phil Perks, we put the new hive in the Kitchen Garden. Native bees don't sting and they are wonderful pollinators, so they are a great addition to our KG.

Thrive the Kitchen Garden Cookbook

Christmas solved! Thrive makes an excellent Christmas present for friends and family. We will be selling the Kitchen Garden cookbook at a Xmas Special price of \$30. You will be able to purchase via Flexischools for the discounted price too. Limited stock available so get in quick.

The Manly West War on Waste continues...

The focus for Term 4 is on Nude Food! Please help us reduce our waste going to landfill by the choices you make with the food and drinks you send to school with your children.

SAKG - WE NEED YOUR HELP!

With the loss of a number of key garden helpers this year we really need some new volunteers to help us look after the garden. The key jobs are to water the garden and turn the compost bins but there are a lot of other things too. If your child will be in Year 3 (semester 1) or Year 4 (semester 2) next year, come along and learn with them in the garden.

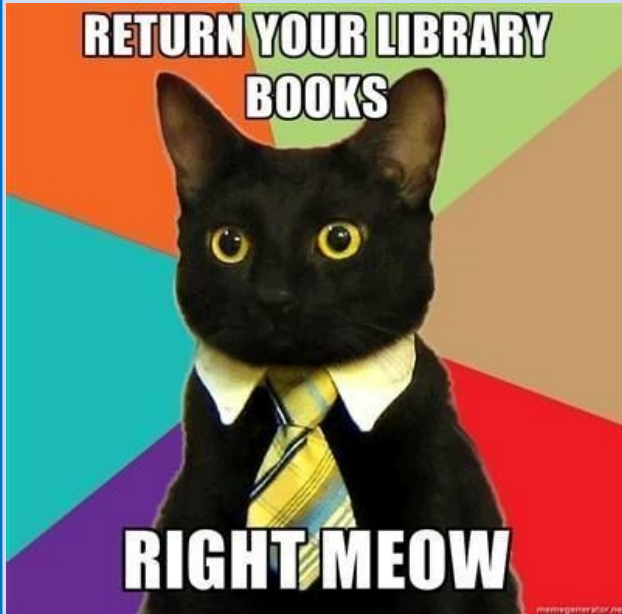

We have changed to a new sign up. Please go to manlywestpandc.org.au/volunteer click on Kitchen Garden and it will take you to the correct page and sign yourself up for a day that suits. If you haven't done this before, email me angie.penn@unswalumni.com and we can arrange a garden orientation. If you are bringing kitchen scraps from home to add to the school compost bins, you must be signed up at least once per term. Please do not put ANY bags in the bins, even if they say they are compostable or biodegradable.

I have recently replaced the signs on the school compost bins to clarify what we do and don't accept. Please respect the "do not add anything" signs on the red cross (closed) bins and look for green tick (open) bin. Any questions email me.

Thanks,

Angie Penn and Beth Dowdle

Library News

ALL MANLY WEST LIBRARY BOOKS ARE DUE THIS WEEK!!! If you have lost a book, please either replace it or pay for it so another one can be purchased and put back into circulation for other students to borrow next year. Your class can win a yummy prize if **ALL** students have returned **ALL** their library books! There can be one winner in the Infants and one in the Primary. Which classes will win? **Hopefully it will be YOUR CLASS!**

It would also be helpful if you could return the bags used to carry your Scholastic Book Club orders home. There is a blue milk crate near the Free Book boxes beneath the PRC Wall of Fame. Please pop any extra bags there to use for orders in 2020.

Happy reading & returning!

Manly West Before & After School Care (BASC)

Junior's Community Incursions

K-1 Room- This week, the K-1 children thought about ways they can positively affect others. Manly West children are very kind and thoughtful, so this was an easy task! We wrote letters to a local nursing home – some chose to send Christmas cards, others opted to write letters that the nursing home residents might respond to (we might receive a response in the new year, so stay tuned!)

We also made some Welcome to BASC brochures for next year's newest attendees. The children wanted to show how fun it is at BASC by sharing their favourite activities – afternoon tea and playing on the coloured equipment seem to be the most popular! We hope that these brochures help new children feel a lot more welcome at BASC.

Year 2- This past week in Room 2.0 was all about giving back and working together as a group to make others feel better. We have been enjoying meditation, team sports and many different activities to raise money and awareness for the Fire Fighters. This week we will be making teddy bears for the children at Bear Cottage. A big Thank you to all the families who have donated to our Salvation Army box.

... .. Don't forget... Clothing, toys and book donations for The Salvation Army **finishes on Thursday the 5th December 2019!**

Meet our Educators

"Hi, I'm Robbie! I've been working at BASC for just over 7 years now! I'm currently studying by Bachelor of Primary School Education. You'll find me in the k-1 room teaching the children new skills and games. It has been a privilege to watch BASC develop over the years I've been working here as an Educator. I still can't believe we have a catering manager! When I was a student at Manly West, I loved sports days the most!! The athletics carnival was my favourite.

Welcome to the Northern Beaches newest home of Krav Maga self-defence. We believe that all kids should learn to defend themselves while getting fit and making friends. Our principles are from Krav Maga, a combat system which emphasises practicality and ease of use. We want to arm kids with the skills and confidence they need for all of life's challenges while imbuing them with the maturity and wisdom to know when not to use them. We are located at 13 Old Pittwater Road, Brookvale and your first class is free so give us a call on 0414 578 572 or email us at info@northsidedefence.com.au. We take all skill levels and ages and do our best to offer solutions unique to each of our client's needs. For more information visit our website at northsidedefence.com.au.
