We wish the Manly West families who are leaving all the best for their future. We hope that everyone has a safe and happy holiday break and we look forward to welcoming our Manly West families a safe return on Friday 29th January for Year 1-6 students. NAIDOC Art Competition

Congratulations to Emma Busvine (3M), Eva Klaassen (6G), Amalia Mauricio (6G) and Evie Mulligan (6G) for entering the NSW AECG NAIDOC art competition. There were close to 1500 entries and the artworks followed the theme for this year, "Always Was Always Will Be". The students from Manly West are to be congratulated for their efforts.

Reminder: Preparing and planning for 2021/Class Placement

Please let us know in writing if you are leaving the area or if you are away at the end of the year and returning in Jan 2021. Thank you for your cooperation with written confirmation as this has a direct impact on our class formations next year.

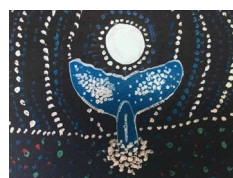

Occasionally parents write to us regarding placement for next year. We form draft classes at the end of Term 4 for 2021.

Our teachers know their students very well and have many conversations with staff and parents regarding the needs of students and consider equity and other issues very seriously. We believe that all students have the capabilities to successfully experience new classes, grades and teachers in the safety of their school with independence and resilience. Requests received in 2021 will not be considered.

Tomorrow, Thursday 10th December, all students will bring home a sealed envelope with their Semester Two Progress Report. If you require an additional report due to family arrangements, please ensure your child's teacher is aware of this.

Final assembly for 2020

Any child in Kindergarten, Year One or Year 2 who has four Expectation Cards sitting at home and would like to receive their Expectation Certificate this year, please bring them to my office tomorrow morning.

Dance Expos

We look forward to the Kindergarten and Year 3 and 4 Dance Expos this Friday 11th Dec. We invite parents of Year 3, Year 4 and Kindergarten students to watch their child perform their class dance. Please note that parents may bring their pre-school child/toddler/baby - they are not counted in the two guests per child limit. Parents/carers will be ushered into the hall by school staff to view the dance of their child's class. After your child performs you may like a quick photo with the class.

Parents please:

- **Arrive 5 minutes before your child's performance time.**
- Enter the school grounds through the **Hill St Entrance** and sign in using the QR code. There is also a paper version option.
- Assemble on the basketball court in the middle of the school, under the large Covered Outdoor Learning Area (COLA) with social distancing.
- Enter the hall when ushered and leave the hall with your child's class for a photo opportunity.
- Leave the school grounds promptly.

Year 3-5 Movie Day – Monday 14th December

On Monday 14th December 2020 Years 3-5 will have a picnic at school and then travel by bus to watch the movie *War with Grandpa* (Rated PG) at Warriewood Cinemas. Students will have a picnic and games in the morning, at school. We will be departing school at 11:30am and we will return to school at approximately 3:00pm. Students are able to carry with them to the cinema, water and one small packet of chips or popcorn/snack into the cinema (no chocolate or lollies). The children will be unable to make purchases from the Candy Shop. Students will have eaten their lunch prior to the movie. Students may wear mufti, ensuring they have a hat, covered shoulders and enclosed sports shoes. A bottle of water, recess and lunch and any small games to play at school, need to be packed in a bag.

Year 6 Performance Band Graduation Concert

Last Wednesday, we had the pleasure of listening to the Year 6 Performance Band perform at their graduation. I am always in awe of the talent and dedication of these students and the standard that they reach with their music. Congratulations to all of the students that participated. Each student received a trophy for their effort with band over the last 4 years. Thank you to Nicole Macnicol, Penny Coucill and the parents that assisted with this night.

Collection to Say Thank You to our Crossing Supervisors

Many parents express a wish to contribute to a gift for John and Rod, our Crossing Supervisors, to thank them for ensuring all of our students are safe crossing the road. If you would like to contribute to a gift, please send money in an envelope labelled 'Present for John and Rod' to the school office.

In the Kitchen Garden this week...

Year 4 decorated paper bags to store their seeds in to give someone as a Xmas gift.

LEARN HOW TO IMPROVISE and take your music to another level.

Northern Beaches Secondary College offers an Improvisation Program (Music) like no other. Students learn how music works and how to improvise. They learn to make their own music - finding their 'voice' - by combining theoretical understanding and how to put it into practice.

Throughout the **Improvisation Program @NBSC Music** students learn about scales, modes and harmony and how to use these in various music styles (such as rock, jazz, blues, classic, pop). They practice basic to advanced improvisation in a small band with individualised tuition.

If your child enjoys playing an instrument in a band setting and likes a challenge, then the **Improvisation Program @NBSC Music** is for you!

2021 ENROLMENTS ARE NOW OPEN

Visit the Northern Beaches Secondary College website, College Opportunities, for further information and to download the application form.

A YEAR OF CHANGE WITH AMAZING OUTCOMES!

Our year started with such promise and with hope of great achievements and despite all the restrictions we realised more than we could ever imagined.

Our teams became stronger and more committed to delivering quality services. Our executive, and sub-committees worked more closely with our staff and we rallied together to achieve quality outcomes.

When restrictions impacted our services, we reviewed our processes, adapted to change, and implemented new and exciting initiatives and programs.

Here's just a few of our achievements this year.

- **BASC** remained opened and adapted their programs to provide quality, fun and engaging activities for their children in their care.
- The **Band** program was reinvented. They used new technologies and implemented new activities to keep the program alive during lock-down. The outcomes were wonderful, and the results proven in recent performances and competition entries.
- Our **Canteen** continued to provide lunch orders to students through the difficult times. They also installed a new oven to cope with the increased demand for hot food items at lunch time and were thrilled to reopen their shutters in Term 3 and enjoyed the interaction with students again.
- Our **Uniform** shop doors closed for a while, but they never stopped selling uniforms. The changeover from summer to winter uniform was made successful through adapted processes and delivery methods. In Term 4 they held special opening days and introduced bundled packs making it easier for the 2021 Kindy intake.
- Our **Environment** team partnered with the school and the SRC on the Labelling Day program which has seen a reduction in the number of lost property items.
- The **Kitchen Garden** continued to be maintained by our staff and volunteers to ensure it was always ready for use.
- New Kiss and Drop Signs and **School Zone Safety** banners were installed to assist parents and students during school drop off and pick up times. We also partnered with the school and the Northern Beaches Council to improve local area road safety through the School Zone Safety Survey.
- Our **fundraising** initiatives included the P&C Contributions on the student semester accounts (a huge thank you—\$33k), and the sale of THRIVE - the MW Kitchen Garden cookbook, Entertainment Club Memberships and The Athlete's Foot for the School Rewards Program.
- We welcomed the new Kindy Parents and planned several other great **events**.
- We improved our **communications** by consolidating our information in the school's newsletter and made better use of the P&C website.
- We worked with the school to ensure that MWPS continued to be a **Sun Smart** safe school and our BASC team applied for Sun Smart status.
- We introduced **Zoom** to allow our teams to meet regularly and we held our first hybrid Annual General Meeting (Term 3) and General Meeting (Term 4). We also held our **Interrelate** and **Child Wellbeing** talks online for the first time!

And this is just a **very short list** of the things we have achieved. There were many more programs, initiatives, and activities that have been carried out by our teams and our volunteers this year to ensure we continued to provide quality services this year and to prepare for the delivery of new programs in the 2021.

A VERY BIG THANK YOU!

Thank you to all our teams, our staff, our volunteers and all the class parents for supporting the P&C this year.

And a huge thank you to all the parents and the students for your patience during an ever-changing year.

Your support is always so greatly appreciated.

THANK YOU

Thank you to all of our amazing musicians for working so hard this year!

Your musical journey has been bumpy, but has sparked resilience, teamwork and enthusiasm (as well as some fantastic music!) - all excellent qualities that will assist you in music and other areas of your life.

To our dedicated **tutors**, thanks is never enough - we look forward to seeing more of you next year.

Ms **Esparraga**, we wish you well in your next position and thank you for being an integral part of the Band Committee and our teacher liaison.

To **Mrs Organ**, the teachers/staff at Manly West, together with the team at **BASC** and our office staff - thanks for keeping the students on track, looking after their welfare and continuing to support the program.

And **Penny** - thanks to you for giving new technology a go, bucket drumming, online learning, strictly following all the guidelines thrown at you - and most importantly for giving the students new skills and a love of music.

Finally thanks so much to all of our **parents and carers** who have worked with us through a very different year, supported the program and the children to continue with music.

*And we must also thank our wonderful band coordinator **Nicole Macnicol** for working tirelessly this year to help each and everyone.*
