Parent/Caregiver 2021 Information Evenings/ COVID-19 Restrictions.

Successful education for your child relies on strong partnerships between parents, staff and students. The K-6 Parent Information evenings are the first step towards strengthening communication and knowledge about your child's class and classroom teacher. Teachers will present an overview of the program, explain class routines, outline curriculum expectations and major events for the grade and provide ideas on how you can assist in your child's learning. It is a great benefit for parents and caregivers to attend these meetings and learn about school and classroom life at Manly West Public School.

Tuesday 9th February

5.15pm Year 2, 5.45pm Year 1 in classrooms

From the Deputy's Desk

Thank you to everyone for the warm welcome to Manly West. I look forward to getting to know all the students and families in 2021.

Swimming Carnival

Our Manly West Swimming Carnival for 3-6 students is nearly here! It will be held on Tuesday 9th February, 2021 at Manly Swim Centre. Children will walk to the pool and back with their class teachers. It is important that all children **be at school by 8.50am** so that rolls can be marked and that we depart straight away.

Year 2 children **who turn 8 in 2021** and participate in a junior **squad swimming program (with times)** may attend the carnival to compete in the 8 year old freestyle event with Year 3 students who are also turning 8 this year.

Students may wear their house colours, bring a towel, swimmers, sunscreen, hat and enough food and water to last the day. **There will be no lunch orders available on the day.**

Students competing in the open events (200m IM and 100m freestyle) must arrive at school by 8.45am and meet Mrs. Fuller on the K-2 basketball court to leave at 8.50am.

Unfortunately, due to COVID-19 restrictions outlined by Manly Boy Charlton Swim Centre, **we will be unable to have parent spectators this year. Please assist us by picking up your child from the school at normal times.** Thank you.

A note was sent home with your child. Please fill in the permission slip to walk to and from the pool and return it to the class teacher as soon as possible. Please see the note for further information.

Summer PSSA Trials

PSSA trials for Summer sports will commence this week. Nomination forms for each sport were sent to all Year 3-6 classrooms during Week 1 and 2 for students to nominate one sport they wish to try out. More information will be provided to all Year 3-6 students before the trials begin.

Year 7 High Potential & Gifted Education Academic Placement Test 2022 Intake

Placement in the Year 7 High Potential & Gifted Education classes at NBSC Balgowlah Boys, NBSC Cromer and NBSC Mackellar Girls Campuses is subject to the child's eligibility to attend the school, submission of an application form and based on supporting evidence including the results achieved in the NBSC Academic Placement Test. The closing date for applications is Friday 19th February at 4pm.

Please see the flyer on Page 9 if you would like your child to apply for the Academic Placement Test.

Scripture

Scripture classes will begin on Thursday 4th March.

Scripture options at Manly West include Bahai, Catholic, Protestant or Non-Scripture. The NSW Department of Education does not allow us to teach students during the allocated 30 minute Scripture time. Students who opt out of Special Religious Education (SRE), otherwise known as Scripture, will read or complete a quiet, independent activity supervised by staff.

Special Ethics Education (SEE) may be an option for students who attend Non-Scripture. This is dependent on available volunteer teachers from our school community. Priority to Ethics is given to children of Ethics volunteers, followed by students who have previously attended Ethics and those students who were on the Ethics waiting list last year.

We are sometimes asked whether students can change Scripture groups each term. Students are placed in a class for the year. It is not an option to experience different Scripture groups in a school year, however, parents can choose a different group the following year. Thank you for your understanding.

Scripture Students in Years 1 – 6 will be placed in the same Scripture faith attended last year.

New students: If you have not already done so, please complete a 2021 Special Religious Education for New Students form, found on the school website, and return it to the office by Friday 12th February.

Kindergarten: Parents will be asked to complete a Scripture Request Form at the Kindergarten Parent Information Evening on Tuesday 9th February.

Mrs Amber Fuller

From the Deputy's Desk

School Expectations/Student Welfare Policy

Students throughout the school are establishing class routines and rules in line with our School Expectations of **Respect, Responsibility and Aspire**.

Each week, teachers present three Expectation Cards in class to acknowledge individual students for demonstrating these expectations. When a student in Years 3-6 has **collected four Expectation Cards** they place them in the labelled boxes opposite the entrance to the DP Office near the staffroom. K-2 students place the Expectation Cards on my office desk, situated on the bottom floor of the Kindergarten and Year 1 block.

During assemblies teachers award two merit certificates per class to acknowledge individual student progress, attainment and/or effort. In turn, all children will have their moment to shine. We ask that you assist your child to keep certificates safe at home. Our award system will be explained at the Parent/Caregiver Information Evenings.

Kindergarten Transition to School

We thank Kindergarten parents for their support of the transition program and for their preparation of their child for school. From tomorrow, Thursday 4th February, Kindergarten students are starting school on the regular school bell at 9.20am and finishing at 2.30pm until Friday 12th February. Thank you for indicating if your child is staying at school until 3.20pm. If your arrangements change, please email the school with attention to your child's class teacher. Each Kindergarten teacher has a poster outside their classroom for parents to complete for this purpose (check). Students who remain at school after 2.30pm will be collected from Kindergarten Yellow and Kindergarten Orange classrooms - attached to the Kindergarten balcony. From Monday 15th February, all Kindergarten students will be dismissed at 3.20pm.

Thank you to our Prefects, our Kindergarten staff and the many staff who support Kindergarten.

Textbooks and Stationery for 2021

Textbooks are available through Humphreys, Balgowlah Road. We ask that you present at the store and indicate your child's school and grade for 2021. Most grades have one or two assigned textbooks. Year 5 parents, please note there are no Year 5 textbooks to purchase this year.

Stationery lists were sent home at the end of last year and are available on our school website under the School Notes tab. We ask parents to source these items independently. All items are available at our local Humphreys store in Balgowlah Road, near our school.

Medical Needs

Please ensure the school is aware of any medical needs your child may have. It is the responsibility of parents to provide updated health plans, action plans and medicine to the school and this is tied to your child's enrolment. Please note, Anaphylaxis Action Plans need to be in colour, on the most recent form provided by ASCIA (currently 2020), dated 2020/2021 by a doctor and include a colour photo of your child. Thank you to parents who have already visited the office with an updated Health Plan and Action Plan this year. Please also ensure that your child's medication is current.

If you have not yet visited the office to provide your child's health care plan, action plan and check that their medication is current, please do so as soon as possible.

Please also note, should you wish school staff to administer medication at school you are required to complete the following form.

https://manlywest-p.schools.nsw.gov.au/content/dam/doe/sws/schools/m/manlywest-p/localcontent/parentrequest_formedication2018.pdf

At times, parents request that medication is carried with their child and is self-administered. This is arranged with Principal approval. If you would like the Principal to consider this request, please complete the above form. All these forms are available on our school website under the 'Supporting our Students' tab - 'Student Health and Safety'.

Kitchen Garden News

This week in the Kitchen Garden...

Thank you

Thank you so much to the many volunteers who came and helped water the garden and turn the compost over the summer holidays! Some people volunteered numerous times. All help really is greatly appreciated.

Year 3

Year 3 start their first lesson in the Kitchen Garden this week with an introduction and an orientation. They will also do their first tasting of tomato and basil grown in our beautiful garden.

Bunnings Donation

We received a generous donation of some new rakes, watering cans, brooms, secateurs, liquid fertiliser, manure, and mulch to Kitchen Garden.

Regards,
Angie Penn and Beth Dowdle

Library News

Welcome back to another fun-filled, action-packed year of learning and discovery in the Library! Mrs Burke, Mrs Dowdle and I are super excited and have been busy getting everything ready for you and your teachers.

Students are already borrowing for their Class Libraries and next week, students in Years 1 to 6 can commence borrowing under their own names. Kindergarten students will begin to borrow in Week 5. Students in Kindergarten to Year 4 are required to use a Library Bag, so please find your old one or get a new one so that you can start your reading adventures!

Due to health restrictions and as a precautionary measure for the first few weeks of the term, we will quarantine the returned books for 24 hours before making them available. Because of this, the borrowing limit will be just 1 book for students in K – 2 and Primary students may borrow 2 books. We will increase the limits once the school eases restrictions. Thank you for your understanding.

Today is **WORLD READ ALOUD DAY!** Read aloud to your siblings, parents, friends or even your pets, or experience them reading aloud to you! Perhaps add sound effects and change up the characters' voices to make it interactive and fun. However you go about it, read aloud and enjoy!

Happy reading!
Mrs Ellen Swick
Teacher Librarian

We Need More Volunteer Teachers of Ethics.

The Ethics program offers children an opportunity to engage in extraordinary conversation and being a Volunteer in the Ethics program is incredibly rewarding. No teaching experience is necessary for this position as the role is more about facilitating discussion.

Detailed, age-appropriate lesson plans are provided by Primary Ethics. Many parents have indicated that they would like their child to attend Ethics classes, however, we do not have enough volunteers to offer classes to all interested students.

Becoming a volunteer Ethics teacher is simple:

- contact Lisa Palmer to find out more, show you how to apply and arrange an interview.
- obtain a police check and complete various paperwork
- attend a 2 day training course through Primary Ethics (www.primaryethics.com.au)
- teach a 30 minute class each Thursday morning. Classes take place at the following times: Years 5 and 6 – 9:20 - 9:50, Years 3 and 4 – 10:00 -10:30, Kindergarten, Year 1 and 2 - 10:40 -11:10

If you or someone you know may be interested, please contact our Manly West Primary Ethics Coordinator (and parent), Lisa Palmer – palmerlisa@hotmail.co.uk 0453 001 062.
