District Swimming Carnival

Congratulations to all the students who represented Manly West at the District Swimming Carnival last Friday at the Warringah Aquatic Centre. Thank you to Mr Turner and Mrs Cleary who supported our students. Congratulations to the four following students who will now compete at the Regional Swimming Carnival:

Leo Kozlinski (1st Place 8yrs Boys 50m freestyle),
Hugo Collins (2nd Place 8yrs Boys 50m Freestyle),

Isabel Wimpole (3rd Place 9 Yrs Girls 50m Freestyle).

Student Representative Council (SRC)

Thank you to Mrs McLean and the newly formed 2021 Years 2-6 SRC. At their last meeting, special guests were invited from the P&C Committees to talk about the new Baby Sushi cardboard boxes and Waste Free Wednesdays. The students endorsed both these concepts. One student suggested that even though the Baby Sushi prices would slightly increase because of the packaging, it was a better long term solution for our environment for the future.

Creative and Critical Thinkers

As part of our Strategic 2021-2024 Improvement Plan, we will be focusing on increasing the knowledge and understanding of the ACARA General Capabilities of our teachers through professional learning to support our students with their Creative and Critical Thinking Skills. This initiative will be led by Mrs Sara Lind and will involve Stage 2 and 3 students and several teachers K-6

Bushlink and Chicken Coop

Thank you to Bushlink and Year 2T, 6C and 3J for their work on the Chicken Coop. It is now looking much safer and healthier. We are still trying to decide the best options for Chickens at Manly West. This was an outstanding start. Thanks also to Mr Martin Scott for planting our new trees at the Griffith St entrance.

Clean Up Australia School Day

Students enthusiastically donned gloves and used tongs to collect rubbish on the school grounds last Friday, in the lead up to the Clean Up Australia Day event at the weekend. The activity increased students' understanding of the need to minimise waste and helped enhance our playground areas.

Year 3 are investigating the anatomy of flowers this week. They will also be collecting seeds and planting seeds for Autumn vegetables in the Kitchen Garden.

Waste-free Wednesdays are starting Term 2

Help us to keep our school looking beautiful by removing any soft plastic packaging from snacks at home (so it can be recycled at REDcycle bins at Coles & Woolworths), and send in naked food in labelled reusable containers. Another way to help is make sure all drink containers and lunch boxes are labelled with your child's name and class so that they can be returned to you if they are lost.

To help you on your waste reduction journey, learn how to compost or worm farm in this [course](#) at Kimbriki Ecohouse.

Saturday 31st July, 1pm-3pm – Composting and Worms Family Workshop NB Residents only – \$50 per family.

2021 Premier's Reading Challenge Update: **Year 3 students** have been busy this week learning how to log their books for the PRC during their Library lessons. As it is a **GOLD** Certificate year for many of them, they are extremely motivated to complete the challenge! There is plenty of time to complete the required reading and your personal reading log online **before or by Friday, August 20th, 2021**. Many students have already done heaps of reading this year, so use the same log on details for the school computers at <https://online.det.nsw.edu.au/prc/home.html> for all rules, information, book lists and reading logs. Soon there will be student names who have finished the challenge here in the newsletter and on the PRC Wall of Fame – will it be **YOURS!**?!?!?

For Kindergarten parents and new families to MWPS, once a term an issue of the **Scholastic Book Club** catalogue will go home with your child. These offer many different kinds of books and games to encourage reading at competitive prices. You are absolutely under no obligation to purchase anything. If you do order, our school receives a commission to purchase brand new books for the library, so you can also help to buy books for every child and teacher at our school! To order, please do so by using the **LOOP system online** or send your order form in with a cheque made payable to **Scholastic Australia**. **NO CASH** will be accepted. Please place your orders **before or by Friday, March 19th, 2021**. This will ensure prompt delivery before the end of the term.

BOOK FACE FUN isn't just for picture books! Meet *Beetle Boy* by M. G. Leonard. This novel can be found in the Senior Fiction section for those who love a good mystery to solve and want to learn interesting information more about giant beetles. Borrow *Beetle Boy* for adventure, intrigue, a few explosions, twists and turns! It's even on the Premier's Reading Challenge list – how good is that?

Happy Reading!

HARMONY WEEK

Next week is National Harmony Week, 15th-21st of March. Harmony Week is an Australian celebration of multiculturalism and the unique cultural diversity within Australia. The meaning of the rainbow that we see for Harmony Week represents the diversity within Manly West, where just like the colours of the rainbow, we are all different but when we come together we are beautiful. This year at Manly West we will be celebrating Harmony Week within our assemblies.

Years 3-6 on Thursday 18th of March, and K-2 on Friday the 19th of March.

This year we ask each student to wear a touch of colour as indicated below on their designated assembly day.

Kindy a touch of red

Year 3 a touch of green

Year 1 a touch of orange

Year 4 a touch of blue

Year 2 a touch of yellow

Year 5 a touch of purple

Year 6 a touch of pink

Children **should not** wear coloured clothing but can wear any of the listed accessories:

- Socks
- Ribbons
- Hair ties
- Any small accessories

We can't wait to celebrate the cultural diversity that makes Manly West unique.

Clara Crouch and Evelyn Williams
(Year 6 Multicultural Officers)

NAPLAN Online – Information for parents and carers

What is NAPLAN

The National Assessment Program – Literacy and Numeracy (NAPLAN) assesses the literacy and numeracy skills of students in Years 3, 5, 7 and 9.

Students participate in NAPLAN tests in reading, writing, conventions of language (spelling, grammar and punctuation) and numeracy.

NAPLAN provides an understanding of how individual students are performing at the time of the tests. The tests are just one aspect of a school's assessment and reporting process – it does not replace ongoing assessments made by teachers about student performance.

NAPLAN also provides schools and education authorities with information about how education programs are working and whether young Australians are achieving important educational outcomes in literacy and numeracy.

Moving to NAPLAN Online

Schools in all states and territories are moving from paper tests to online tests. It is expected that all NSW schools will transition to NAPLAN Online by 2022. The move to NAPLAN Online brings new benefits for teachers and students.

What are the benefits of NAPLAN Online?

More precise results with an adaptive design:

Tailored tests adapt to a student's performance and ask questions that match the student's achievement levels.

Better engagement: Research into online assessment indicates that students engage well with online tests as the questions are tailored to their achievement levels.

Tailored testing

Tailored testing provides a more precise assessment of students' performance. Students at each year level start with a similar set of questions. Depending on the number of questions they answered correctly, the next set of questions may be more, or less, difficult.

A student's NAPLAN result is based on both the number and difficulty of questions the student answers correctly. A student who completes a more difficult set of questions is more likely to achieve a higher score.

Watch a video (3:06 length) to learn more about tailored testing – <https://youtu.be/oGFseJAM3Ew>

Supporting your child

The best approach for preparing your child for NAPLAN is to encourage your child to do the best they can on the day.

Excessive preparation or the use of coaching providers is not recommended.

Students can use the public demonstration site to familiarise themselves with the tools and type of questions they will experience in NAPLAN Online – <https://www.nap.edu.au/online-assessment/public-demonstration-site>

Students' digital skills

The digital skills required to complete NAPLAN Online are skills that students use in everyday classroom activities.

Students do not need to be able to touch type to complete the test. The online test is not about keyboard skills (just as the paper test is not about handwriting skills).

Withdrawals and exemptions

You can withdraw your child from NAPLAN tests.

A student may be granted a formal exemption if they have:

- a disability that severely limits their capacity to participate in the tests, or
- recently arrived in Australia and have a non-English speaking background.

Contact your child's school for further information and to complete the parent/carer consent form.

Practice tests

NSW schools participating in NAPLAN Online will participate in practice tests between 22 March and 1 April 2021.

The practice test is a trial-run and key preparation activity for NAPLAN Online in May. It is not an assessment of student ability.

Participation in the practice tests is highly beneficial as it allows schools and students to become familiar with the online assessment platform tools and processes.

NAPLAN Online 2021 test window

Practice test window: 22 March – 1 April

NAPLAN Online test window: 11 – 21 May

The assessment window for NAPLAN Online is nine days instead of the three days provided for the paper test. This is to give schools flexibility in scheduling and accommodate schools that may have fewer devices.

What if my child was absent on the day of a scheduled test?

Where possible, schools may arrange catch-up tests for individual students who were absent on the day of a scheduled NAPLAN Online test.

Catch-up tests are not permitted after Friday 21 May 2021.

COVID-19 advice

Parents should keep students at home if they are experiencing flu-like symptoms and monitor NSW Health advice on COVID-19 case locations across the state. For more information, visit

<https://www.health.nsw.gov.au/Infectious/covid-19>.

Your child's school will be required to conduct NAPLAN testing in accordance with the latest NSW Government COVID-19 advice.

Year 3 writing test

The Year 3 writing test is conducted on paper at schools participating in NAPLAN Online. All other Year 3 NAPLAN tests will be online tests.

Privacy

NESA is responsible for the collection of personal information from NSW schools to be used during NAPLAN testing and reporting.

All data collection for NAPLAN is managed in accordance with NSW and Federal privacy legislation described in NESA's privacy management plan, which can be found on the NESA website:

<https://educationstandards.nsw.edu.au/wps/portal/nesa/about/who-we-are/privacy/naplan-privacy>

Results

Parents receive two reports showing their child's achievements in NAPLAN; the individual student report (ISR) and additional student report (ASR). The ISR and ASR should always be interpreted with care. Teachers will have the best insight into a child's educational progress.

Reports are usually dispatched to schools towards the end of Term 3. Schools then distribute the reports to parents.

Questions?

If you have any questions, please contact your child's teacher in the first instance.

MANLY WEST'S WAR ON WASTE

WE HAVE EXCITING PLANS AT MANLY WEST TO BECOME A WASTE-FREE SCHOOL!

Lots of initiatives will be rolled out in 2021. Student Waste Warriors are leading the charge but they need your support!

Each week, tips and tricks will be shared in the newsletter to help parents help Manly West be a more sustainable school.

CAN YOU PACK A 'NUDE' LUNCHBOX?

- Consider 'bento' style container next time you buy a lunchbox
- Remove all packaging at home so it can be recycled properly and doesn't create litter at school
- Buy snacks in bulk and decant into containers – it's cheaper and there is less plastic waste
- Cut up larger fruit for less waste

DON'T FORGET TO LABEL ALL CONTAINERS WITH NAME + CLASS!

Waste-free Recipe of the week from Thrive, p.36

WASTE-FREE WEDNESDAYS WILL START IN TERM 2. STUDENTS WILL BE ASKED TO BRING A ZERO-WASTE LUNCH AND THE RED BINS WILL GO 'ON HOLIDAY'.

Benefits include:

- Encouraging healthier foods
- Creating sustainable habits
- Reducing litter around the school
- Cutting waste disposal costs

Food waste, canteen bags and Return & Earn containers can be left at school. All other waste, including uneaten food, will be taken home where it can be sorted and disposed of properly.

NOW is great time to start thinking about what goes into your child's lunchbox and consider healthy, waste-free alternatives.
