Dance Expo/ Dance Festival

Thank you to Amber Krietich, the teachers of Years 1 and 2, 5 and 6, and the students, for their brilliant preparation for the Dance Expo this semester. Our students really enjoy the Dance program, which forms part of the PDHPE and Creative Arts syllabus outcomes. Congratulations to our Year 6 students for performing with such skill and style on their last MW Dance Expo.

Thank you to Miss Becky Wilson, Mrs Amber Krietich, Mrs Katie Davis and Ms Elyce Bignell for the choreography and dance tuition of the Junior Dance, Senior Dance and the Boys' Dance groups in preparation for the Dance Cinematic Festival and the Dance Expo.

Leadership Project - Lost Property Action plan

The Year 6 Prefect Team recently attended the Northern Beaches Learning Alliance School Leadership Camp with many other prefects from local schools. Mrs Fuller and the Prefect Team worked out an Action Project with the focus on solving the Lost Property issues in our school. They have already presented this to the Principal and Executive as well as the Student Representative Council. They will also support the other initiatives such as the Labelling Day, Waste Free Wednesdays and the Lunchbox Rescue sales.

Arts Alive Drama Festival

Congratulations to both Drama groups from Years 3, 4 and 5 and the teachers, Mrs Cotty, Miss Higgins, Miss Tinsley and Miss Harding. The groups have been successful with their film nominations and have been selected to represent Manly West PS at the Arts Alive Drama Festival on Tuesday 20th July at the Chatswood Concourse. More information will be sent home to parents/caregivers in the coming days.

Thank you to parents who attended the Year 2 Literacy Support Workshop last week and to Mrs Lisa Greco for presenting. Thank you also to our Student Learning Support Officers, who demonstrated the program in practice. Next term, we will be holding K-2 and 3-6 Parent Maths Workshops. For details, see Page 2 and 3.

Learning and Support

In line with Strategic Direction One of our School Improvement Plan, *Student Growth and Attainment in Literacy and Numeracy*, the school allocates funds to support students within the classroom and in small withdrawal groups. In 2022, we have drawn on additional funds and currently have four Learning and Support teachers working across the school, providing targeted support to students in Literacy and Numeracy – Mrs Lisa Greco, Mrs Beth Dowdle, Mrs Nicola Wilson and myself. Mrs Jill Robertson and Mrs Gabrielle Bombardiero are currently on leave.

Additionally, we employ a team of Student Learning Support Officers (SLSOs) working under the guidance of class teachers and grade supervisors. Our SLSO team is currently: Anne Quattroville, Theresa Smuts, Zak Arnot, Daniel Franklin, Hannah Richmond, Hayley Cambourne, Michelle Foster, Fiona Geoghegan, Fiona Mullane and Kathryn McDonald.

Teachers, in consultation with their grade team and supervisor, identify students who could benefit from additional support. Data checkpoint meetings occur each term within our grade meetings and in turn at the Learning Support Meeting. This week the Learning Support Team reviewed current data and are currently in the process of allocating resources for Term 3 to target needs. Varying cohorts of students are targeted for the program throughout the year. Withdrawal programs are generally used as an intervention measure and the groups are fluid. When students exit a specific learning program, support continues within the class program as quality differentiated practice. Student progress is continually monitored and additional support may be provided during a later intervention period.

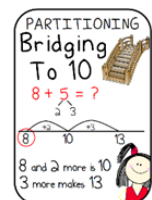

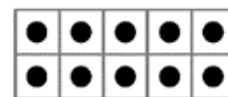

K-2 Maths Workshop for Parents

On Wednesday 28th July from 9:30-10:30am we are holding a Maths Workshop for Parents. The focus of the workshop is Early Numeracy Strategies. It is similar to the workshop presented to K-2 parents in 2020. K-2 parents are the target audience, however, all parents and carers are welcome to attend. I encourage Kindergarten parents to join us and any parent who has not attended this workshop previously.

The aim of the workshop is to:

- develop a partnership with parents in learning.
- assist parent understanding of the teaching and learning of Mathematics in today's classroom.
- explain the emphasis of mental computation in our syllabus and the strategies students utilise.
- provide an overview of mathematical content, processes and skills taught in each grade – Kindergarten, Year 1 and Year 2.

If you plan to attend, please RSVP by 23rd July to the school email address with Maths Parent Workshop in the subject line and your name and grade/s of your child/children at Manly West in the body of the email.

From the Deputy's Desk

Congratulations to all of our four bands - Training Band, Intermediate Band, Concert Band and Performance Band. They will compete in the Regional Finals at the end of August via video technology and the State Finals will be held at the ABC studios in Sydney in October. Good luck to our representatives!

Indigenous Performer's Visit to Manly West

On Tuesday, our students participated in an engaging interactive performance by Ryka Ali. Ryka is with the Wuthathi tribe of Shellburne Bay, Cape York and from the Torres Strait Islands. The show was informative and lots of students were asked to take part on stage. Thank you to Steve Bryne for organising this experience for us all.

Have a safe and restful break.

Mrs Amber Fuller

Dance Expo Picture Gallery

Cinematic Dance Report 2021.

Both the Senior Girls and The Boys Dance Group have to be congratulated on their wonderful commitment and effort that they have given over the last two terms.

Each week they gave up their time to work towards a cinematic experience that was showcased at the Glen Street Theatre. Each group was filmed twice, a decision that was made due to Covid-19. Their dances were then showcased on a big screen at the theatre.

Both groups were amazing, deftly demonstrating their talent and natural ability. They should all be very proud of their efforts.

A big THANK YOU also should go to Amber for her sensational but challenging routines.

Below are some of the photos taken on our Film Day.

Curl up with a great read during the holidays and complete the PRC for all your prizes and glory. Let's see whose names are published here next term!

Everyone is very excited about **Stage 2's Gallery Walk** on Friday! Year 3 has closely examined Jeannie Baker titles in their Library lessons, and I can't wait to see their critical and creative thinking skills in their culminating artworks! Here are some **3C** students comparing and contrasting other books that also used collage as an illustrative technique.

All aspiring poets, please remember to type up your original poems and hand them into me **by this Friday, June 25th, 2021**. You can submit up to three poems on the optional theme of Rich and Rare. Students in Kindergarten up to Year 6 can enter. I have now received more wonderful poems from students in Years 1, 2 and 3! I will submit all poetry for all entrants on Friday afternoon, just in time for the holidays. Head to this website if you would like any last minute tips from published poets and past winners - <https://www.dorothea.com.au/Learning-Resources>. Best of luck to all those that enter!

Happy reading, writing and relaxing!

LUNCHBOX RESCUE—ENVIRONMENTAL IMPACT

12 kilograms of recycled items sold

\$160 raised

Thank you for supporting the inaugural Lunchbox Rescue held on Friday 18 June.

More than 150 items were cleaned and sold at the stall.

That's around 12 kilograms of unlabelled items rescued from lost property and sold at the stall.

The stall was coordinated by the P&C environment sub-committee and was supported by the SRC and the school.

The sales day was well received by the parent and student body. Parents spoke to the team about the great value of the containers and the positive environmental impact, while the students were asking great questions about why we would sell things back to the community and we were then able to have lots of conversations about labelling and reducing our waste on the school grounds.

Prices ranged from \$0.50 to \$5.00 and the total amount raised was \$160.

The money raised will support future environmental and sustainability programs at Manly West.

**PLEASE HELP US REDUCE THE AMOUNT OF LOST PROPERTY
ITEMS AND REMEMBER TO LABEL EVERYTHING!**

Next sales day will be held in Term 3.
