### Semester Two Progress Reports

Semester Two Progress Reports will be sent home tomorrow, Thursday 9<sup>th</sup> December. While this is a modified report in recognition of student learning from home and school, class teachers have provided specific information outlining what your child is achieving in Reading, Writing and Mathematics and their next steps in learning. We encourage you to celebrate your child's achievements outlined in the report and encourage them to take ownership for their learning by moving forward with their next steps in 2022. If you require an additional report due to family arrangements, please ensure your child's teacher is aware of this.

### K-2 Athletics Carnival

A reminder regarding the K-2 Athletics Carnival on Monday 13<sup>th</sup> December. Unfortunately, due to health regulations relating to COVID 19, it is not possible for parents to attend this year. We do look forward to welcoming parents back on grounds when restrictions ease.

This carnival is a non-competitive, fun event which gives students the opportunity to participate in a variety of sports activities and running races in their grade groups. Students race their classmates the length of the marked field on the oval. If time allows, we include novelty races such as skipping and jumping races.

The carnival will begin at 9:30 am and conclude at 12:40 pm for Year 1 & 2 and 11:20 am for Kindergarten. During this time students will complete tabloid activities as well as running races. The children will have their regular morning tea break from 11:20-11:40 am (this may include their fruit as there will be no set fruit break time).

A brief schedule of the day is below.

Time	Kindergarten	Year 1	Year 2
9:30am – 10:25am	Running Races	Tabloids Station 1	Tabloids Station 2
10:25am -11:20am	Tabloids Station 1	Tabloids Station 2	Running Races
11:45am -12:40pm		Running Races	Tabloids Station 1

Students will need to wear full sports uniform for the day. This includes a school hat, sport shoes and sunscreen.

### K-2 Activities Day

Next Tuesday 14<sup>th</sup> December, K-2 students are having a Class Celebration at school with a Virtual Magic Show in the morning followed by theme-based activities with their classmates.

## Library News

Please return ALL your library books this week and be put on Santa's NICE list! There will be NO borrowing the rest of this term. Also, you can help your class win a special prize for being the first class to return Manly West Library books. Search everywhere for your loans and please bring them back to school quick smart!

Tomorrow, Manly West students will receive their progress reports. If your child completed the 2021 Premier's Reading Challenge, a special completion certificate will be enclosed with the progress report. All K – 2 students (enrolled before August 20th) will receive a certificate, and those in Years 3 – 6 if they completed the PRC independently. Great reading, Manly West!

Your Scholastic Book Club orders have arrived! Please be patient, as it is a HUGE order and requires volunteers a fair amount of time once they have arrived. Please let me know if you can help with the coordination and deliveries as well. Just think of all the smiles and hours of reading that will occur in the very near future!

If you are after pre-loved books, CDs, DVDs, puzzles and games for some holiday fun, the Lifeline Giant Book Fair begins tomorrow and continues until Sunday at St. Augustine's College in Brookvale. Your purchases provide vital services to the Northern Beaches community, which is most important at this time of the year. Helping out others always feels good, too!

Happy reading and returning!

There are lots of awesome organisations who will help you find new uses for unwanted items with recycling only undertaken as a last resort. Here are some you may not know about:

[Ripcurl](#) for wetsuits

[Arnie's Recon](#) for all types of e-waste

[Shoes for Planet Earth](#) for usable sports shoes

### About me

I was born in Johannesburg but my parents moved back to Sydney in the late 70's and right here on the Northern Beaches is where I was lucky enough to grow up.

A nursing degree enabled me to travel and I worked in Darwin for a while (met Steve) before heading back to university to study midwifery. We moved to Brisbane and on to Dublin for work and fun before returning to Sydney and just by chance landed back here on the Beaches.

I have been lucky enough to be working within the community I love for nearly the last decade moving from Manly Hospital to the Northern Beaches Hospital when it opened.

Three children and full time work means life is full but I love to play futsal every week, walk in the great outdoors and I'm longing for some sun and surf this year.

### Me at Manly West

This is our 9<sup>th</sup> year at Manly West with our second child completing year 6 this year and the third going into year 5.

### Why I joined the P&C

Through the early years of primary school there were plenty of opportunities to volunteer in the school through reading groups, kitchen garden and the canteen.

As the kids moved into the older years I started working full time and joining the P&C became another way to be involved. Attending the meetings gives you the chance to hear at a deeper level what is happening within the school and have a voice for your children.

A fellow parent and I had questions about how homework was valued in the school, particularly rote learning 'spelling lists' – those few simple questions saw the teaching staff look critically at the practice. The teachers were surveyed, the evidence looked at and soon after 'Sound Waves' was introduced.

### My role in the P&C

I have been on the Executive Committee twice now, stepping out for a short a time. It's a great way to see how the different roles of a committee function. I am also part of the band committee and hopefully as we move through the pandemic this committee can get back to business in planning performances and the beloved band camp.

## Getting involved with your Manly West community

Manly West Public School has an amazing mix of students and parents from all walks of life and we would like you to share your expertise and diversity to help build our community and make a change for our children.

We currently have a need for anyone with experience in **accounting (notably MYOB)** or **IT to get in touch**.

Contact us using this [link](#) and we will be in touch to discuss how you can help from as little as 1 hour of your time.

## THIS TERM AT BASC

It's no surprise to anyone that this Term flew by! It was great to see the children reconnect with their friends - and form some new friendships - after months away from school. We had movie afternoons, played plenty of sport, flaunted their agility on the coloured equipment, learned new outdoor games, developed their collaborative skills through teamwork, showed off some smooth moves through music games and expressed their creative side through arts and crafts.

To next year's Year 2s: we will miss you SO much at K-1 BASC, but you're going to love your new Year 2 room!

Have a happy and safe school holiday! We can't wait to hear all your adventures when you come back.

It's been a great term to end a not-so-great year!! After having a few months off school due to Covid lockdown, it was great to have the Year 2s back and to be back down in our room! This term we did loads of fun activities that all the children really enjoyed. After months of waiting, we finally got to kick-off our House challenges which included activities such as, Quidditch, Trivia, Bingo, Domino Trails and many more. It was great to see the teamwork and sportsmanship involved with the houses. The Year 2s also got to show off their creative side in the craft room making their own Basc Monopoly game as well as competing in drawing competitions and other activities. It is safe to say that these Year 2s are going to be extremely missed next year but we know they are going to love the 3/4 room and really thrive next year!! Hope everyone enjoys their holidays and has a good Christmas!! See you all next year!!

From all the educators and room leaders in the years 3&4 room we would like to say a big thank you and congratulations to the families and children of our room for getting through 2021 in such a positive and supportive way. On behalf of the team here, it has brought us nothing but joy to come in to work each day and see rooms full (and for some terms a bit less full) of smiling faces. We are all so proud of your resilience and it has been lovely to see so many new friendships blossom this year. We are looking forward to seeing you all, and some new faces, in 2022!

What a term it has been! We absolutely loved having everyone back in the 5/6 BASC room to finish off the year! We have had a busy term full of craft craziness, outdoor games, and exciting activities. We are so impressed with all your craft creations and have decorated our room with your drawings, clay animals, and Hama Bead creations. It was awesome to see our 5/6 children take initiative and run their own games outside such as Cops and Robbers, Sardines, and Lava Ball. We would like to give a big farewell to our incredible Year 6s, good luck next year! We hope you all have a wonderful break over the holidays, and we'll see you next year!

As we near the end of 2021, we would like to say a huge thank you for the support BASC has received during a difficult and unprecedented time.

BASC staff have adapted and responded to all of the changes and extra duties required to keep the centre Covid safe, while providing a caring and fun environment for the children. The children have shown such positive attitudes and resilience and the school community and staff have shown great support as always.

Good luck to those families moving on from Manly West. You will always be welcome to pop in to say hello. We are looking forward to welcoming more families to BASC in 2022, especially as waiting lists are moving rapidly and more offers will be allocated at the beginning of the year.

Merry Christmas and stay safe,

**Sarah Peters and all at Manly West BASC**
