Year One Coastal Environment Centre Excursion

Dear Parents,

On Wednesday 26th October (1C, 1P, 1H) and Thursday 3rd November (1G, 1T) Year 1 will be attending an excursion at the **Coastal Environment Centre, North Narrabeen.**

This excursion will provide hands on learning experiences to complement our Geography program 'Features of Places'. North Narrabeen provides an amazing learning opportunity for students to visit a lagoon environment, a beach environment and a bushland environment. Students will spend the day learning about different aquatic habitats, why they are important and their role in looking after our coastline. **The bus will leave school at 9:15am sharp and return to school by 3:00pm. Please ensure your child is at their morning lines at 9:00am.**

Students need to wear their school sport uniform. Please ensure your child also brings their hat. Each child will need a small bag containing their recess, lunch and a water bottle. Please pack a raincoat in case of wet weather. We will require three parent volunteers from each class who will be selected at random. The parent helpers must complete the 100 point Working with Children Check for volunteers at the office. Classroom teachers will confirm with the parents who will be attending the excursion.

The cost for this excursion was included on the Semester Two account. Please sign permission note attached and return to your child's class teacher.
