KINDERGARTEN EXCURSION TO NARRABEEN COASTAL CENTRE

Dear Parents,

In Term 4, Week 1, Kindergarten students will be attending an excursion at the **Coastal Environment Centre, Narrabeen**. The children will be participating in a program, with their Year 6 Buddies, to investigate the needs of living things and the importance of places that they live. This aligns with our Science unit of work, 'Living Things'.

On **Wednesday 11th October**, students in **K Orange, K Yellow & K Blue** will attend with their Year 6 Buddies in 6S & 6C.

On **Thursday 12th October**, students in **K Green & K Red** will attend with their Year 6 Buddies in 6D.

Students will travel by bus and need to be at school at **8.45am** for roll call. Students will return to school by 3pm for a regular afternoon dismissal.

Students need to wear their sports uniform, hat and sunscreen. Please pack fruit break, morning tea, lunch and a refillable drink bottle in a small backpack. The Environment Centre encourages students to bring an earth friendly lunch as there are no bins. Students should also bring a **spare pair of socks** as they are going to be exposed to water. In case of bad weather, a raincoat should be packed, please do not bring umbrellas.

We require two parent helpers from each class to assist us on the excursion. Unfortunately, we are unable to include babies and toddlers. If you would like to join us, please indicate on the permission slip and we will confirm as soon as possible.

Many thanks,

Kindergarten Teachers
