

PEDLARS' PARADE 2022

Dear Year 6 Students

Our 2022 Pedlars' Parade will be on Thursday 10th November. Students need to get themselves organised in advance so don't leave it until the night before! Grades will be visiting stalls at different times during the day. Students need to be at school early, 8.50 for setting up stalls before the bell at 9.20. The Pedlar's Parade will **commence at 9.40am** and go until approx **12.40pm** when students should be prepared to pack up and clean up their area when it is over. Prizes and raffles will be drawn in the afternoon.

Please read the information below very carefully:

- Students may wear mufti to school but must wear sensible clothing including joggers and a hat (any cap is fine). Sunscreen and a shirt or top with sleeves is preferable. No singlet tops or thongs.
- Students need to organise prizes for those organising a competition. If you have raffles, make sure there are enough books of tickets and that student's names and class are written on their ticket.
- Students will need to have a 'float' i.e. **at least** \$20 in coins for change for each group.. Preferably 20c, 10c, coins as well as 50c and \$2 and \$1 coins. Students need to decide if you all bring money each or one person supplies the money that can be refunded at the end of the day.
- Students have to keep your costs to a minimum! The school **cannot reimburse** for your stall. Again, check with your parents.
- Students have containers to keep money safe. Make sure one person stays in charge of the money at all times during the day and keeps a record of \$\$ collected by teachers.
- Students need to make sure the activity is always safe. If there are any issues or questions, ask a teacher before it's too late to change things.
- Organise if you need ice or eskies to keep things cold or out of the sun. e.g. chocolates or prizes that might melt.
- Make large signs to advertise the activities/stall. Be prepared to promote your activity with a video, a poster and possibly a presentation at an assembly. Dress up, be interesting! Sell your product!
- Students need to consider shade, or even a tent? Plan with parents in advance if you think you need help setting up. You can't bring anything electrical!
- **Have fun.** Now after all these years it's your turn to be in charge. You've been a wonderful Year 6 and great role models for our school so enjoy the day and put something back into our school to remember you by.

Mrs Gaynor, Mrs Siale, Ms Deakin, Mrs Havenstein, Mr Mills and Ms Pervan
